## Juvenile Accident/Injury Procedures

In the event of an accident or injury to a Juvenile during an MSB training session or MSB Competition the relevant Coach/Coaches should:

1. Asses the injury.
2. Treat the injury where possible and/or call the relevant Emergency Services in the case of serious injury/accident/illness.
3. Notify the Parent/Guardian ASAP.
4. Stay with the injured party until a Parent or Guardian is present.
5. Write up an Incident Report.
6. Advise the Club Child Welfare Officer/s and provide a copy of the report to them as soon as possible.
7. Coach to follow up afterwards with the Parent/Guardian on the Juvenile's progress and to advise the Child Welfare Officer/s accordingly.
8. Child Welfare Officer/s to follow up with the injured Juvenile's Parent/Guardian to ensure that all procedures were followed and to asses if any further action is required by the Club.
9. Child Welfare Officer/s will report any serious accidents/injuries back to the Committee.
10. All Accident/Injury reports to be kept on file.
